

## COASTAL LANDSCAPE WATERCOLOR

---

---

A stylized coastal landscape: green, stepped cliffs descending toward the sea, a break of turquoise sky opening beneath heavy violet-grey clouds; ochre rocks and headlands in the distance. Fresh, graphic color blocks and fluid cloud forms suggest a modernist, inter-war sensibility. Signed A. Faugeron Brichat.

Painting in good, stable condition with light toning consistent with age. Frame shows scattered wear and minor surface losses that are period-appropriate.
