

FRUIT TREE DOORSTOPS

A delightful pair of cast-iron doorstops modeled as stylized fruiting topiary trees — one bearing oranges, the other lemons. Each piece is crisply cast and hand-painted in rich tones of green, citrus yellow, deep orange, and earthy brown.

Wear to paint consistent with age and use; scattered surface oxidation. Stable and structurally sound with an appealing time-earned patina.

Period: Early 20th century

Provenance: Unknown

Materials: Cast iron

Manufacturer: Unknown

Dimensions: H8.3 x W2.8 in | H21 x W7 cm
