

PAIR OF SILVER PLATED CUPS

A matching pair of cylindrical silver-plated cups, each adorned with an ornate raised Rococo-style cartouche framed by scrolling foliage. The plain bodies and rolled rims contrast with the decorative crest, lending a refined balance between simplicity and ornament. Both pieces bear a stamped torch motif on the underside, a mark commonly associated with French or Italian silverplate workshops from the late 19th to early 20th century.

Good condition, well-preserved examples with normal age-related wear.
